

Senior Trials and Team Selections

Senior players will have an option to elect not to trial and to instead play in a lower senior grade in a more *social* style. These teams will be allocated taking friendship groups into consideration to the best of the committee's ability. However there are no guarantees that all players who wish to play in the same team will be able to do so.

All other senior teams will be selected based on trials. A minimum of two trial dates shall be held and players will get an opportunity to play in their three preferred positions.

Selections will be conducted by a selection panel which may include coaches, team managers, committee members and other persons.

Selections will be based on:

- A player's fitness and skill level
- Attitude
- Commitment level to trainings and games and pre season training
- Team dynamics
- Ability to play multiple positions.

Players will be notified at the final trial or soon after of their team.

Complaints and concerns regarding team allocations or the selection process are not to be made to selectors at the end of trials and are to be directed to the President or the Secretary.

Grade Allocation

The Committee will do its best to ensure that teams are allocated into grades that reflect their ability however the final decision remains with the Mid Hills Grading Committee and their decisions must be respected.
