

Training Expectations Policy

- Players are required to commit to one training session per week with their team which includes arriving at the scheduled time to commence.
- Players must wear appropriate clothing and footwear to training.
- Training attire must allow the player to participate in all aspects of the training session comfortably and without posing a risk to the player or other players.
- Jewellery must be removed for training.
- Mobile phones must be switched off or turned onto silent during.
- If a player is unable to attend training the player **must** notify their coach before the training is due to start via phone call not text message.
- If the weather is exceptionally bad players should not assume training is cancelled and must contact their coach.

The Hahndorf Netball Club will not take any responsibility of damage of personal property at trainings if the above policy is not adhered to.
