LEADING THE FLOCK

Superstar defender, club legend and A Grade captain Lauren Feijen can be seen donning a larger-than-life smile and a positive attitude. She constantly puts in 110% on the court and is willing to do anything to get her team over the line. We can't thank Lauren enough for the time and effort she continues to put into this club.

How long have you been a Hahndorf Netball Player?

"This is my 11th season. My debut was in 2015, when we won the league GF!!"

What position do you play?

"GK (but you may see me have a run in WD too, as my secret second talent)"

What position do you wish you could play and why?

"GD - but I'll ever be as good as Kate 'the goat' Hochuli"

What is your fondest netball memory?

"Our 2022 A Grade premiership after a 7 year drought."

What is your least favourite thing about netball?

"The torrential rain?! And losing games you should have won."

What are your team's goals for the remainder of the season?

"We've got an amazing young group of players this year and so far we've been able to beat all but the top two teams. We'd love to crack one of them and make it into a grand final. But, we'll start with setting hopes on making it to the top four and maybe into the prelim."

One of our superstar recruits as of recent is the wonderful Zoe Fryer. With her long limbs and incredible ability to read the ball, Zoe is essentially a brick wall in our A2 White team. Captain of this young side, Zoe, continues to push her team to new heights, constantly wishing the best for this team.

How long have you been a Hahndorf Netball Player?

"This is my second year playing at Hahndorf."

What position do you play?

"I play the best position, GK."

What position do you wish you could play and why?

"In another life, I would be a C. I think being tall and running up and down the court, I could pick off a few intercepts and just be intimidating to the opposition."

What is your fondest netball memory?

"My favourite netball memory would be when I played for Onkas, playing defence with Chelsea Bannister. We beat Mt Barker Lutheran by 40 goals in the GF, and completed the season undefeated."

What is your least favourite thing about netball?

"Having to play in the pouring rain when it's freezing."

What are your team's goals for the remainder of the season?

"Our team's goal is to finish in the top four, which we are on track to do, and ultimately make the grand final!!"

SIDELINE SWOOP

ROAD TO FINALS

Winter has truly set in for the season, with slippery conditions playing a large role in results of games. With three games remaining let's take a look at the season that has been, and those teams which are looking to attack finals head on.

Under 11 Div 2

Our Under 11 Division 2 team is currently sitting in fourth position on the ladder. In their coming matches, they will face off against two teams in the four, and have a tough ride home. We have no doubt that the girls will be able to rally together and get themselves over the line.

Under 13 Div 2

Our Under 13 Division 2 girls are currently sitting comfortably on top of the ladder, only losing three games this season.

Through any and all conditions that Woodside throws at them, these girls continue to show up for themselves and put in 100%.

Inters Div 3

Our oldest of the junior grades battling it out to secure their spot in the top 4 is our Inters division 3 team. With a bye in round 14, it is important that the girls continue to play strong and smart netball for their remaining two games to secure this position.

B4

Our mum's team is sitting nicely in 2nd position, where they are looking to face off in a top-of-the-table clash leading up to the finals. Year after year, these women continue to dominate their division, and this year it is no different.

B1

The B1 side is sitting in 3rd on the ladder. After a shaky last few weeks, this team is looking to hit its stride again and continue to perform. The next few weeks will prove a test to the team, but we all know they are up for the challenge.

A2 Black

Our A2 Black team is currently sitting pretty in 2nd position on the ladder. This team is filled with local Hahndorf legends, and they continue putting in performances that we saw 10 years ago from this same group.

We are so beyond proud of how many teams we have battling it out for a finals position, and we are sure that when it gets down to the finer points, our girls have the skills and desire to go all the way.

A2 White

The A2 Black team is not alone in that top 4, with A2 White sitting in 4th and looking to capitalise on their remaining games to push for a higher position. This young side continues to show up for one another and strive for greatness.

A Grade

Our cream of the crop is currently holding onto 4th position. With players out with other sporting obligations and planned trips, this team has fought hard to hold on to this position and continues to improve and strengthen every week.

BEYOND THE COURT

TEAM PHOTOS

Last Wednesday (July 23rd), we saw the whole club come out in their netball dresses for a whole club photo. Nearly 10 years on from the last time we did this, we thought it was time for an updated version. We would like to extend our largest thank you to Janine Liebelt for being present and taking the picture, all those on the committee for organising players and teams from our youngest under 9s, to our oldest senior players, and a massive thank you for all players who attended, and found time to fit the picture in, either before or after their training sessions.

UMPIRE RESPECT

Our games each week are not able to go ahead without those who volunteer to umpire each and every week. We recognise that these umpires are trying their hardest to ensure that these games can go ahead. With that being said we would just like to acknowledge some issues which umpires have been facing at Mid Hills. There have been reports of poor sportsmanship from both players and spectators across the spread, and we would just like to remind everyone that any lack of sportsmanship will not be tolerated at the Hahndorf Netball Club. It is essential that all those both playing and supporting for the Hahndorf Netball Club, show their support and respect to these volunteers.

FLIGHT PLAN

PRELIM CANTEEN DUTY

Once again, we have been allocated canteen duty at Mid Hills for August 30, which falls on preliminary final week. We are bringing this information forward early to ensure we are able to fill all positions. We once again want to remind everyone that volunteers are the heart and sole of our local clubs and we thank everyone in advance for putting their hands up and offering a moment out of their busy schedule to offer their support.

GRAND FINAL CELEBRATIONS
