THE OFFICIAL HNC NEWSLETTER

STARS OF THE NEST

In the second-last round of the season, the B2s secured their second win of the year with a hard-fought 39–34 victory. Going into the game, we were nervous after our previous encounter with this team ended in a 36–45 loss. From the first whistle, it was a tight contest, but we kept our composure and pushed right to the end, securing the win by five points. Congratulations to Ella Holman, who earned Career Best Player, and Taylor Hogan, who was awarded Coach's Best Player for the game.

Our under 9 girls once again faced each other on the courts last week. The battle of the birds from our youngest grade proved to be a spectacle. With lead changes and big shots being taken nothing compared to our youngest girls' faces when they saw the turnout from our senior grades to watch them play the sport we all love. It is easy to forget about the impact which the senior players can have on these young girls and we thank all those who attended bright and early Saturday morning to cheer on our girls.

WATCH LIST

With the last game of the minor rounds coming this weekend there are a few must watch games to catch this weekend.

Under 9's: Our two under 9's teams will be playing their final game of the season this weekend, with no finals competition allocated for this age group. If you are able to pop in and watch the future of our club, they will be out representing the black and white bright and early. I know they appreciate any sort of support at that time of the morning, especially when it comes from our senior players, whom they look up to.

11 Div 2: Another must-watch game this week is our under 11 Division 2 girls. This group of talented girls are playing off against 2nd place Onkaparinga. Hopefully, they are able to snag a win and cement their position in the finals series.

11 Division 1: Our under 11 Division 1 girls had a hard fought season with lots of highs and lows. Unfortunately, they are not contending for a finals spot and this will be their final game. They should be so proud of their season and everything they have achieved.

13 Division 3: Similarly to above, our under 13 Division 3 girls, unfortunately, are also not contending for a finals spot with this weekend being their final game of the season. If you are able to come out and watch the future of the Hahndorf Netball Club it would not go unnoticed.

B2's: Our B2's are also playing their final game of the season this year. With a multitude of injuries and holidays, this team has continued to show resilience and fortitude throughout their season. Win or lose this team never fails to put on an entertaining show.

TRIPLE THREAT

We like to think of the Hahndorf Netball Club as your family away from family and continue to pride ourselves on this feeling. We further cemented that mindset with the past week seeing a true case of a family outing when Abby Naughton, Georgia and Lucy Squires all suited up for our B1 side. These three girls have been a part of the Hahndorf Netball Club for their entire netballing careers. Since the start of their netballing careers all three girls have blossomed and grown into not only superstar netballers but overall successful and talented women. From birth to now these cousins have been together through it all. I am sure many members of the Hahndorf Netball Club have watched the growth of this family and continue to look on in awe at the strong family dynamic which they bring to the club. We pride ourselves on being a family orientated organisation, with multiple sets of siblings and mother daughter duos crossing the courts every weekend.

BEYOND THE COURT

CLUB SUPPORT

For many years Hahndorf has had a strong alignment with the Breast Cancer Awareness foundation, raising funds and initiating a pink round to offer support to those who are diagnosed with breast cancer. Mid Hills has been kind enough to allow us to continue with pink round for numerous years, and Hahndorf has expressed its gratitude to not only the association but to the clubs registered to the association who each year continue to show support for this wonderful cause.

Throughout the year, Hahndorf is not the only club that has sought to raise both awareness and funds for other charities that hold a special place in their hearts. Here at Hahndorf, we will continue to offer our support and appreciation to any club wishing to go down this path.

Endometriosis round was hosted by Mt Barker Lutheran Netball Club. On Saturday, June 26, the Mid Hills netball courts turned yellow to raise awareness for the condition that affects 1 in 9 women. \$788 was raised for Endometriosis Australia.

Saturday, August 9, saw Mt Barker United Netball Club raise awareness for the Do It For Dolly campaign. The courts turned blue to show our support to the campaign pushing to end bullying. We are so grateful to be able to partake in these campaigns and awareness programs and will continue to offer our support to those around us.
