

THE INSIDE SWOOP

GRAND FINAL EDITION

SWOOPING SEASON

Our back to back premiers, moving up a grade and still taking out the top prize showed that they really can take on anyone. This team of 11 is always down for a laugh and something silly, but when push came to shove they showed that their competitiveness outweighed their social aspect. The girls were able to really put their heads down and overcome a strong Echunga in the Grand Final defeating them 37-29. The way this team merges and gels as one does not go unnoticed, and there

joyous energy is contagious to those around them. The only team to win a flag this year for Hahndorf, we truly adore this tight knit group and hope to see them take the top prize out once again in 2026.

STARS OF THE NEST

A2 WHITE

Unfortunately the Vixen attempt by the A2 White girls was unsuccessful, however the performance these girls put on Grand Final day did not show the deficit. The constant grit and determination from this team week in, week out did not go unnoticed. Led by A2 association best and fairest, Zoe Fryer, this team had a never say die attitude and inspired so many in the club. We have no doubt we will see this young team back in A2s next year and hopefully once again fighting for the top prize.

B4

A well-fought game from our B4 mums team proved not to be enough, unfortunately going down by 4 points in the grand final. This team continued to grind throughout the season and never gave up on aiming to achieve the top prize of the division. We are so proud of how this team represents our club how they continue to leave everything out on the court. Regardless of the score we couldn't be more proud of their efforts this season, and we can't wait to see them do it all again next year.

UMPIRING

Superstar umpire Hannah Waller has been acknowledge by the Mid Hills Association by being given a junior grand final game to umpire. Her constant dedication to growing umpires throughout the club and honing her own personal craft makes us all extremely proud.

PRESENTATIONS

Presentation night gives us as a club the chance to show off our talent within, and acknowledge the continuous support from all those involved in the club. This season saw highs and lows across all grades, but as always Hahndorf continues to prevail through it all.

LIFE MEMBER

One of a kind, and truly someone which any club would be lucky to have Jane Grivell was awarded her life membership at senior presentations. From player, to coach to committee member, Jane has truly done it all, a vital part of Hahndorf production, you will see Jane being the first person to volunteer to help out every week, always ensuring that the club is able to function and run smoothly. It feels impossible to be able to encapsulate Jane's dedication and love for the Hahndorf Netball Club, however we will continue to honour and praise Jane for everything she does for this club.

CLUB PERSON OF THE YEAR

Michelle is a breath of fresh air, a positive energy around the club and a smile when you need it most. As coach of the A2 white team, Michelle constantly assisted the club in organising events and continuously volunteered when the club needed someone most. On top of being a committee member and A2 coach, Michelle also put her hand up to manage the A grade side alongside Ash Crawford. She is the definition of Magpie spirit, and we can't wait for her to bring her infectious behaviour to the club next year.

We are so proud to announce Peyton Waller as our Junior Club person this year. She is always the first to put her hand up to volunteer and assist the club, even though sometimes she is too young to do so. Every week Peyton is umpiring minimum one game a week, sometimes more. She constantly volunteers to score and time as well as lending her time to our mini magpies. She truly is one of a kind and we can't wait to see this young magpie continue to grow.

UMPIRE OF THE YEAR

Hannah Waller was awarded umpire of the year. Her constant dedication to growing the umpire community amongst the club allows for us to ensure we are able to play each week. We want to show our extreme fondness of Hannah and all she does for this club to allow for us to have umpires who are up to a standard to umpire.

JUNIOR UMPIRES

Every week our incredible junior umpires are out with a whistle in hand rain hail or shine, learning and developing their skills. These talented girls are going to go extremely far with their umpiring.

MILESTONE GAMES

A part of the furniture, Tori Kaesler has been with this club for as long as anyone could remember, constantly volunteering to coach, umpire, fill in and even be on the committee. She is the essence of Hahndorf and we are so grateful to call her our own. Tori Kaesler is the only person to play 200+ games in the mighty black and white at the senior level and we can't wait for her to notch a few more games under her belt.

Alongside Tori, we had many other milestones to acknowledge. With 22 players awarded 50 games, 8 awarded 100 games, and 2 awarded 150 games. We are excited to celebrate the new milestones our players achieve in the upcoming seasons, and are proud that these incredible players have stayed with the club to celebrate these milestones.
